HRS4R Working Group meeting

20.10.2021

- The meeting was devoted to presenting and discussing specific provisions of the draft version of the Open, Transparent and Merit-based Recruitment of academic teachers at the Jagiellonian University (OTM-R) document, sent for consultation in September.
- During the meeting the content of the document was verified, while corrections and modifications were being introduced in accordance with the Group's proposals. The provisions concerning the appeal procedure deadlines, the balanced composition of selection boards and the quality control system of the OTM-R policy remain yet to be finally resolved.
