

HR EXCELLENCE IN RESEARCH

# HRS4R Working Group meeting

22.06.2022

- The aims of the meeting were as follows:
  - to propose information materials for new employees,
  - to agree on the priorities of the HRS4R Action Plan for the coming months,
  - to discuss activities aimed at promoting the principles of both the European Charter for Researchers and the OTM-R policy at the Jagiellonian University.
- The Group members thoroughly analysed the Compendium for a new employee.
- The activities implemented so far in the field of information (creating the HRS4R website) and recruitment (formalization and update of the OTM-R policy principles) were summarised.
- It was agreed that the Group's priority for 2022/2023 would be to prepare recommendations regarding a researcher development support programme, targeted in particular at researchers at the initial stage of their career development.
